The OSDEF uses the information provided in this Post-Grant Report in several ways: to assure fiscal responsibility in carrying out the OSDEF’s mission; to inform future grant making; to learn of the results of your grant; and to improve our process.

- Please read Grant Guidelines for post-grant information.

1. Did you spend the entire grant amount?

-No. We were able to spend most of the money as we hosted 4 of 5 scheduled workshops prior to the COVID 19 closure.

2. How did you spend the funds? Please include description and attach receipts.

-We sponsored a series of student workshops on Social Justice, Mindfulness and Wellness, and Positive Communication and made them all available to 160 students.

3. What other funding sources supported this program?

-None.

4. How have you assessed program success?

-Very positive results according to workshop participant feedback from students. All participants were required to fill out a workshop evaluation upon completion of each session.

5. What was the number of students impacted?

-Over 100 students attended the four workshops we offered.

6. What were your successes and challenges?

-The students that attended were very positive about their experience in the workshops; that was a huge success. The challenge was offering the workshops at a time that did not compete with other opportunities for students.

7. Please share a story about how the grant money helped a group or individual learn or grow. Anecdotal quotes? **Please include at least one district-approved photo** and ensure details of this story can be shared on OSDEF and/or OSD social media, websites and other materials.

-I'm very sorry, I will not be able to meet this request due to the unanticipated school closure.

Please mail handwritten thank-you notes, drawings, etc., via inter-district mail to the OSDEF or drop them off to the OSDEF office at Knox 111. **Submit your completed report to info@osdef.org**
